### TEACHER QUESTIONNAIRE

This questionnaire has been prepared for use in several schools in New Jersey. It is part of a survey being conducted to discover how teachers view various aspects of teaching and learning in their classrooms. The information you provide on this questionnaire will remain private and will be used only in combination with the information from many other teachers. We have asked for your name only for the purpose of matching you with your students. No school administrator will ever see your individual responses. At no time will this information be used in any way to evaluate you. Please answer all questions honestly. Thank you for your cooperation.

Please print the following information in the appropriate space on this answer sheet: your school, the grade you teach during this class period, and the subject matter taught in this class, and your name.

1. How many distinct preparations do you have to make for each day's teaching?
